

Illume Care & Cleaning Instructions

MATTE FINISH (PERFECTSENSE MATTE/ZENIT SUPERMATT LACQUER BOARDS):

Recommended cleaning solutions: Pledge® pH Balanced Multisurface Cleaner, Mr. Clean MagicEraser Original. NOTE: Under no circumstances must harsh chemicals be used such as solvents, pure alcohol, ammonia, etc.

FOR DAY-TO-DAY CLEANING:

For cleaning, it is recommended to use a nonabrasive cloth moistened with soap and water and immediate subsequent drying. For deeper cleaning, such as stuck-on grease:

FOR DEEPER CLEANING, SUCH AS STUCK-ON GREASE:

Surface should be sprayed with an alcohol-based Multi Surface Cleaner. Let solution sit up to Maximum 5 minutes, and then wipe off completely using a micro-fiber cloth. Repeat as many times as needed.

Wipe completely dry with paper towel or clean cotton.

GLOSS FINISH (PERFECTSENSE/LUXE HIGH GLOSS LACQUER BOARDS):

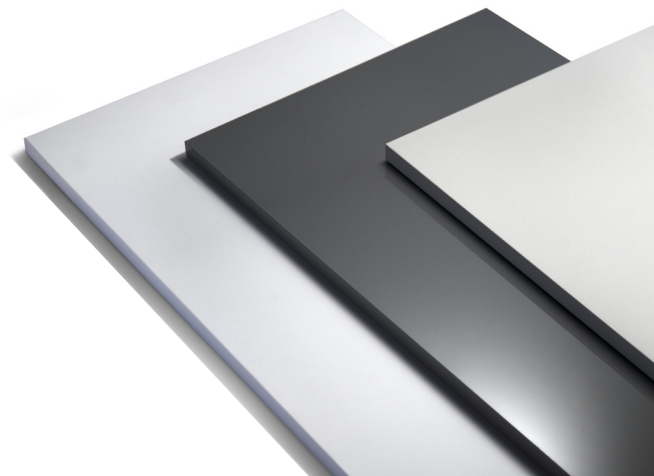

Recommended cleaning solutions: Pledge® pH Balanced Multisurface Cleaner. NOTE: Items such as Mr. Clean MagicEraser are NOT recommended as they can affect the surface of the finish. Under no circumstances must harsh chemicals be used such as solvents, pure alcohol, ammonia, etc.

FOR DAY-TO-DAY CLEANING:

For cleaning, it is recommended to use a nonabrasive cloth moistened with soap and water and immediate subsequent drying. Care must be taken when cleaning High Gloss surface, as a soft cleaning cloth is recommended.

FOR DEEPER CLEANING, SUCH AS STUCK-ON GREASE:

Surface should be sprayed with an alcohol-based Multi Surface Cleaner. Let solution sit up to Maximum 5 minutes, and then wipe off completely using a micro-fiber cloth. Repeat as many times as needed. Wipe completely dry with paper towel or clean cotton.
